PRODUCT DESCRIPTION

NEUTRAL CLEANER is a concentrated, multi-purpose neutral detergent specially formulated for floor and general cleaning applications.

Made from highly biodegradable materials, it is both environmentally friendly and safe for use.

This advanced formula is designed to effectively clean a wide range of surfaces, including marble, terrazzo, granite, slate, vinyl, and wooden floors.

It is anti-slip, requires no rinsing, leaves no streaks, and is completely safe for use on sealed and polished floors.

In addition to its powerful cleaning capabilities also contains antibacterial properties, providing enhanced hygiene with every use.

It offers professional-grade results while maintaining the highest standards of safety and sustainability.

DIRECTIONS FOR USE

MOP BUCKET

First clean floor removing all soil then apply product to floor. Scrub floor with deck scrubber. Rinse floor with water, squeegee to remove all chemicals then dry mop if applicable. For everyday use mixed with hot water no more than 55°C.

- **Heavy Duty:** Dilute 1 to 40 (1:40) parts per water.
- **Light Duty:** Dilute 1 to 60 (1:60) parts per water.
- **Timber:** Dilute 1 to 80 (1:80) parts per water.
- **Auto Scrubber:** Dilute 1 to 100 (1:100) parts per water.

SPRAY BOTTLE

Dilute 1 to 20 (1:20) parts per water. For everyday use mixed with cold water. Use as multi purpose spray and wipe for heavy stubborn soil.
