HAND WASH

PINK ANTIBACTERIAL

PINK LIQUID WITH FRAGRANCE

PINK LIQUID • FRAGRANCED • HACCP APPROVED

Hand Wash Pink Antibacterial is a pink, fragranced antibacterial hand and body wash developed for commercial kitchens, food-handling areas and workplace amenities. Its biodegradable formula produces a creamy lather, while its skin-friendly pH and emollients help leave hands feeling soft, clean and comfortable.

SKIN

IDEAL FOR

Food processing & manufacturing

Commercial kitchens & catering

Restaurants, cafés & bakeries

Staff amenities & washrooms

Fragrance-sensitive workplaces

Schools, care & community facilities

KEY BENEFITS

PLEASANT FRAGRANCE

Fresh fragranced formula for pleasant hand washing.

PINK LIQUID

Attractive pink liquid for general wash areas.

HACCP APPROVED

Designed for food-industry hygiene programs.

GENTLE CLEANSING

Creamy lather for frequent hand washing.

HAND & BODY WASH

Suitable for washing hands and body.

BIODEGRADABLE

Environmentally considerate surfactant formula.

EASY TO DISPENSE

Suitable for refillable soap dispensers.

DIRECTIONS FOR USE

1

Wet hands thoroughly with clean water.

2

Apply Hand Wash Pink Antibacterial from the dispenser.

3

Lather over palms, backs of hands and between fingers.

4

Rinse thoroughly with clean water.

5

Dry hands with a clean towel or hand dryer.

Use neat. Do not dilute in the soap dispenser.

MADE FOR FOOD HANDLING AREAS

A pink, fragranced antibacterial formula for kitchens, food-handling areas and workplace amenities.

HACCP APPROVED
